Button to mark as clean

Sea green for nav bar bg

Ivory for text in nav bar

- Generate nearest address
- Google maps directions integration
- User accounts with rewards/points system
- Web/Mobile application development
- Animations to make placing a pin smoother
- Size system to determine size of trash (how many people would it require)
- Ability to filter existing pins by size
- Show cleaned pins on the map
- Prompt for potential duplicate pins
- Different language options
- Integrated features to have community-wide events/plans for cleaning
